

MISSION STATEMENT:

The Westover Treatment Centre exists to enable individuals and their friends and family to recover from substance dependence and co-dependence in order to lead healthy and productive lives.

THE WESTOVER DIFFERENCE

By design, Westover is unlike any other treatment facility in Canada.

Nestled in the Village of Thamesville, Ontario, we have created a home-like, non-institutional and non-clinical atmosphere which lends itself to the holistic nature of our family-centered treatment program.
